

Submission Guidelines for Presentation Papers

1. Presentation papers can be submitted by people who have presented their material at a contributed research presentation session or designated topic session of the Farm Management Society of Japan Annual Meetings and who have declared their intent to submit a presentation paper.
2. Declaration of the intent to submit a presentation paper must be made during the application process for contributed research presentation sessions or for designated topic sessions.
3. Once a paper has been approved, it must be submitted within two weeks of the end of the conference. Send the PDF-File of the presentation paper in accordance with the established format and the PDFFile of Submission Forms for Presentation Paper to the Society by E-mail. Authors who decide not to submit their presentation papers must contact the Society immediately.
4. Reviews will be conducted by a team of two reviewers.
5. Presentation papers will generally be four (4) pages (maximum six (6)) including Figures and Tables when printed. Please note that the format for presentation papers is different from the format of the abstract for contributed research presentation session.
6. Presentation papers must be accompanied by a fee of 5,000 yen per a page. If all the contributors are student members, this fee is reduced to 2,000 yen per a page.
7. Offprints of presentation papers cannot be ordered.
