

Writing Guidelines of Manuscripts for Contributed Paper Session

1. Format

Refer to the sample on the website. Use A4 size paper, with margins of top 27 mm, bottom 22 mm, right and left 17 mm. No page numbers are given.

2. Volume

Two pages with one column and 40 lines a page, including Figures and Tables.

3. Composition

A manuscript should include the purpose of the study, the method, the results and discussion, and the conclusions.

4. Submission

Submit the manuscripts and the "Application for contributed paper session form" to the Society by Email or an electronic medium.
